# Invitation: Sponsors & Exhibits

IWA-YWP Technoscape-2020 provides you an opportunity to select the best fit from a variety of sponsorship packages to shape your organization's involvement in this congregation and garner worldwide recognition from experts in the water sector.

Stand out as a global ally of sustainable and smart water technologies with fellow water researchers from the industrial sphere, thus, empowering your repute and adding glamour to your marketing plans. The sponsorship merits have been forged to effectively boost your brand, your services as well as products and can be tuned based on your requirements.

## Who will attend ?

IWA-YWP Technoscape-2020 expects to host over 150 attendees from around the world who are specialists in the different facets of the water sector - researchers, consultants, IWA members, scientists and activists along with companies and industrial organizations that deal with smart and sustainable water technologies, policy making, planning and implementation of ideas and various socio-economic circumstances.

Technoscape-2020 provides the biggest stage for your organization to diversify your reach and gain from the IWA exclusive publicity, branding rights and exposure to over 20,000 water professionals online and through other media platforms.
